

May 12, 1975

SENATOR SCHMIT: Yes, Mr. President. The amendment that I moved to return for, this specific amendment is located on Page 1720 of the Journal. The copy was placed on your desk last Friday, I believe.

PRESIDENT: If there would be no further discussion, the question would be the adoption of Senator Schmit's amendment. Record your vote. Oh, wait. Did you want to be recognized, Senator Goodrich?

SENATOR GOODRICH: I want to be sure that the amendment we are adopting is the one that shows up on Page 1720 of the Journal. There is a difference between the Schmit amendment and this one. This one just goes a little bit further. It includes the Schmit amendment and adds a little bit more. That's just what I want to be sure of.

CLERK: Mr. President, the Schmit amendment offered us is found on Page 1653 of the Legislative Journal. I, then, have the Murphy amendment found on Page 1720 but that will come up as a separate motion.

SENATOR GOODRICH: We can do it that way if you want to. There is nothing wrong with it.

CLERK: I don't care. It is just what I understood you to say.

SENATOR GOODRICH: As long as they both get adopted.

SENATOR MURPHY: Mr. Chairman, if I may, and I think Senator Schmit has it, actually this was a jointly agreed amendment and it was delivered to the Clerk but it is, I am quite sure, 1720 is the page that Senator Schmit just referred to.

CLERK: That's not the amendment I had attached to your motion to return.

SENATOR SCHMIT: Mr. President, the motion that...the amendment that should have been attached to my motion was the amendment that is on Page 1720 of the Journal. Senator Murphy turned it into the Clerk, I believe, on Thursday of last week according to the Journal and that is the amendment we wish to adopt.

PRESIDENT: There being no further discussion, then, the question is the adoption of Senator Schmit's amendment. Record your vote. Record.

CLERK: 31 ayes, 0 nays.

PRESIDENT: The bill is adopted.

SENATOR SCHMIT: I move the bill be readvanced.

PRESIDENT: The question is, shall LB 508 be advanced? All those in favor say aye. Contrary nay. The bill is advanced.

CLERK: OK. Now, Senator Schmit, you just want to withdraw the other amendment found on Page....
